PURPLE PACKS A PUNCH

Billing itself as "The Most Powerful Antioxidant Beverage on the Planet," PURPLE is a wonderful concoction made from seven of the most fabulous fruits in existence: acai, black cherry, pomegranate, black currant, purple plum, cranberry, and blueberry. 100% natural and containing no sugar, not only does PURPLE taste good...not too tart and not too sweet...but the antioxidants in these fruits are heart healthy. And, just when you thought it couldn't get any better, used as a mixer in cocktails like the PURPLE-tini, PURPLE-mojo or PURPLE-rita, the antioxidant effect in PURPLE is actually enhanced!
